President's Dinner 2019

Join us as we celebrate the inauguration of our new President, Charles Egbu FCIOB.

Enjoy a wonderful evening of exquisite food, fantastic entertainment and the chance to hear the new President's inaugural speech where he will outline plans for his 2019/20 presidency.

In his opening address our outgoing President Christopher Soffe FCIOB, will give highlights of his year before formally welcoming Charles to the stage to take his place as President of the CIOB.

The President's Dinner event is open to members and non-members of the CIOB and we look forward to welcoming our most senior members from around the world plus some of the most influential leaders from the UK construction industry.

In addition, the winners of CIOB's Global Student Challenge will be announced and receive their trophy at this event. For our six finalist teams, this will be the culmination of several months hard work competing in an online challenge against teams from across the globe. Welcome drinks will be held in The Lower Library. With its columns, cornices, galleries and balustrades it is a splendid space in its own right. By day The Lower Library is a living, working law library, creating an inviting atmosphere for guests to relax in, surrounded by historic and contemporary legal and Scottish collections, enjoying an outlook onto Parliament Square and the Royal Mile.

Dinner will be held in The Upper Library, which is a magnificent setting for our 3 course Presidential dining experience. Architectural features include a cupola painting depicting Apollo and the Muses, accompanied by poets, orators, historians and philosophers, a magnificent stained glass window celebrating Queen Victoria's Jubilee, classical columns, ornate cornices, and upper galleries with decorative balustrades.
