A4E Aviation Summit

6 March 2018 | Brussels, Belgium

ROUND UP REPORT

The A4E Aviation Summit, an invitation-only event, featured Europe's leading airline CEOs and global aviation leaders. It offered a dynamic and interactive debate, centred on the most critical industry issues such as:

- Airport charges
- ATL strikes & control management
- Aviation taxes

CONFERENCE OVERVIEW

Excellent organization, impressive attendance in the panel, fantastic opportunity for networking

Strategic, targeted, valuable.

Very professional event, more women on panels needed, more time for networking lunch, lively and entertaining CEO debate was the highlight

A key event to keep updated on industry situation and trend

Very Informative

It's the place to meet the who-is-who in European Aviation.

The summit was a very interesting and perfect organized event.

Excellent opportunity to understand the thinking of airline executives on key policy issues

A unique opportunity to meet with the top brass of European airlines

Packed with content and networking opportunities
