Introducing the UK Space Conference 2019

The UK Space Conference is well established as the most important and influential event for space in the UK.

In September 2019, the UK and international space community from across government, industry and academia will come together to exchange ideas, share plans, develop relationships and seek inspiration to thrive in the new space age.

The conference will again provide unrivalled networking opportunities and build on the success of Manchester 2017 where 1,200 representatives and over 100 exhibitors took part. The International Convention Centre in Wales will play host in 2019 and provide the perfect backdrop for sponsors and exhibitors to increase brand awareness and demonstrate thought leadership in the strategic issues affecting the space community.

We have worked hard to develop a full range of sponsorship packages for the UK Space Conference 2019 outlined in this brochure. All are designed to allow you to achieve your business objectives and networking goals over the three-days.

The UK Space Conference could not take place without the fantastic support from our sponsors, exhibitors and stakeholders.

I look forward to seeing you in September 2019.

Jeremy Curtis
UK Space Agency
Chair of the UK Space Conference Organising Committee

@UKspace2019

2,000 DISCOVER SPACE IN MANCHESTER ATTENDES

Audience breakdown

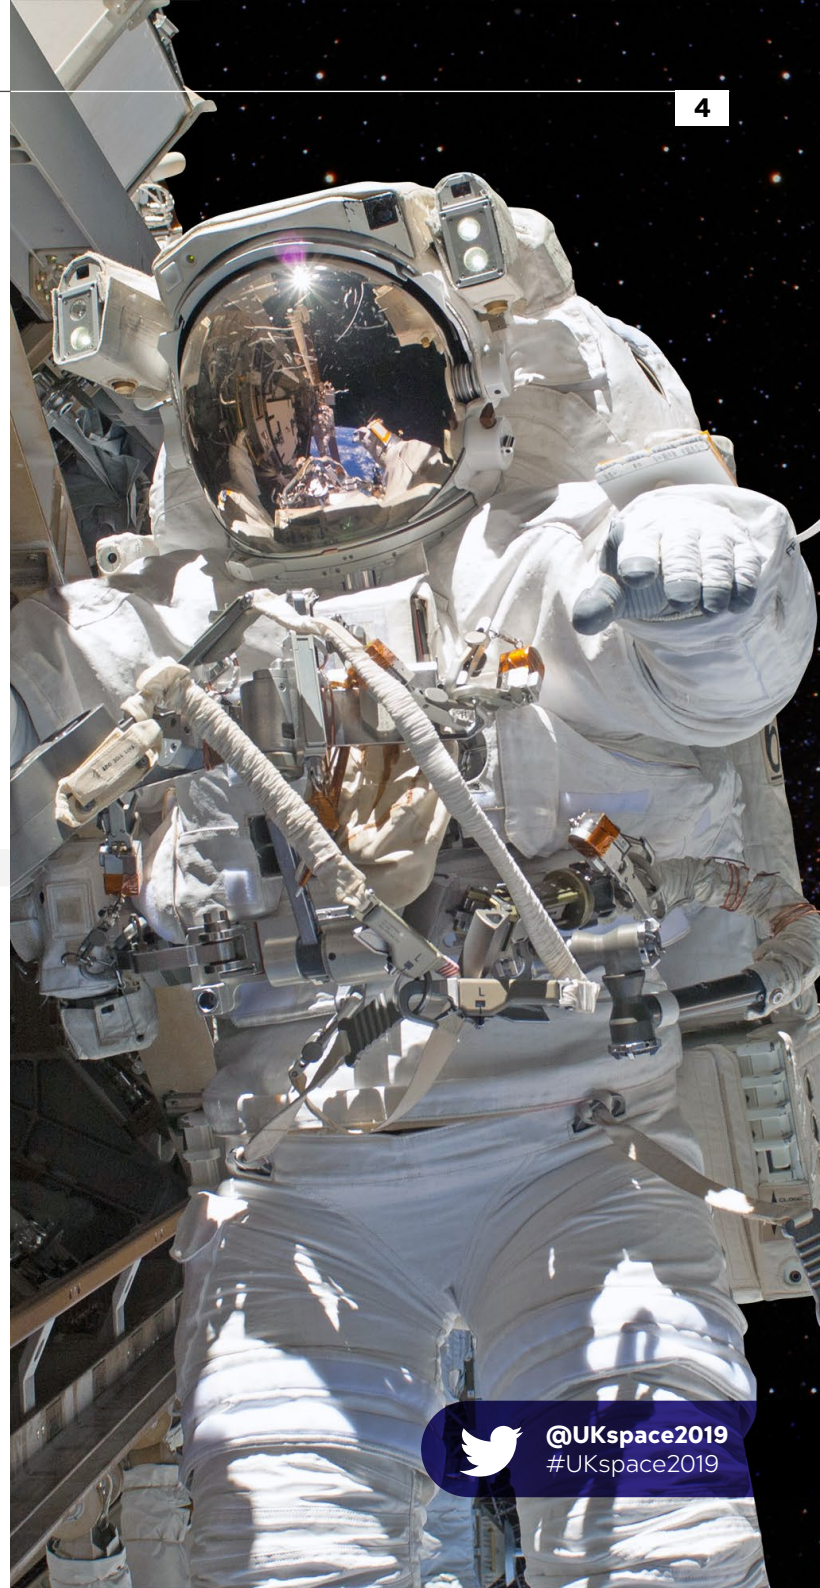

Delegate feedback

95% rated their overall experience at the conference as 'Excellent' or 'Good'

79% would attend the 2019 conference

59% rated the networking opportunities as 'Excellent'

What to expect

HEAR

from the UK and international space community and get the latest updates from across the sector.

LEARN

from the best and each other; be that industry specialists, policy makers or thought leaders. Find solutions to problems you face.

PARTICIPATE

in thought-provoking sessions and have your say on the key issues affecting the sector.

CONNECT

and build relationships and networks with peers from across the fast-changing space market. Discuss emerging challenges, discover new opportunities and exchange ideas.

ENJOY

the best networking event in the UK space calendar with a buzzing drinks reception in the exhibition area (day 1) and a spectacular gala dinner (day 2).

Why partner with us?

The UK Space Conference 2019 is the platform to reach c.1,400 decision makers, industry experts, government officials and innovators from across the UK and international space sector. If your organisation wants to be positioned at the heart of strategic thinking in the space sector, you must have a presence at this key event.

A package to suit your needs (and budget)

There are a range of packages to suit every budget and match your bespoke business requirements. Whether this means building your profile, demonstrating a new product, showing your thought leadership or getting your colleagues in front of the right contacts.

Take advantage of the on-going benefits

It won't be just your presence on the day that matters. There are many opportunities to get your brand and message to delegates in the event marketing and on the website, both before and after the event.

The best environment to exhibit and showcase

When you exhibit at the conference, you'll be shoulder to shoulder with industry leaders, innovative start-ups, academics and SMEs. You will be perfectly positioned to increase awareness of your organisation and demonstrate engagement in the strategic issues affecting the space sector.

The exhibition will include numerous spaces to explore, learn, do business and network. Evening drinks reception (day 1), barista bars, charge stations, informal seating, business zones and spotlight talks will engage and entertain delegates over three-days.

Many of our sponsorship packages include exhibition space.

Venue information

International Convention Centre (ICC) Wales

The new and exciting ICC Wales has taken inspiration from the world's best convention centres. The result - a stunning venue specifically designed for world-class conventions.

The large, slate-and-glass building will cater for over 5,000 delegates, offers 2,000 on site car parking spaces, and has bridges straight into fresh air and woodland. All this and just a stone's throw from the M4.

ICC WALES
