Join the Department for International Trade (DIT) and partners at JEC World 2019.

12-14 March 2019

Held at the Paris-Nord Villepinte Exhibition Centre between 12-14 March 2019, DIT's UK pavilion will showcase UK companies and position the UK as a major player in the composites arena.

We invite you to visit us at stand S50 in Hall 6. Here you can meet and establish partnerships with the UK companies taking part and discuss opportunities to invest. DIT, Composites UK, National Composites Centre and the Welsh Government representatives will be on hand to offer practical advice on doing business with the UK's vibrant composite materials market.

Networking Reception

DIT are delighted to invite you to a Networking Reception on Wednesday 13 March 2019 between 2:00pm - 4:00pm on stand S50, Hall 6, to hear more about the UK composites strategy and to meet with leading UK companies in this field.

Hear from our key partners who will introduce their UK Capabilities:

- Composites UK
- National Composites Centre
- Department for International Trade
- The Welsh Government
- Midlands Engine
