

FOGMAKER

INTERNATIONAL AB

Protect Lives and Equipment

Minimize the risk of downtime and damages with Fogmaker's fire suppression system!

300,000 installations
in over 60 countries.

The Fogmaker fire suppression system is designed for engine compartments and other enclosed spaces. It can also protect electric and hybrid vehicles. High-pressure water mist chokes fires quickly and cools the area to prevent reignition. Fogmaker's system is automatic, independent of electricity, and always ready!
