We have selected tours at special rates for Congress delegates. The following excursions are optional and not included in any registration fee. Excursions will take place on Friday, Saturday and Sunday, 5-7 October 2018. For more information about excursion please follow in website www.BCR2018.com.

Kaunas City Tour

5-6 October 2018

Kaunas – a city, situated between two rivers, which has very important XIV – XVII centuries objects. During excursion you will visit the old town and one of the first objects in the city history: Kaunas castle, Town Hall, Thunder house, gothic style churches. You will hear many – history facts, stories and legends about Kaunas. In the end of excursion you will visit the largest monastery complex in Lithuania, and the most magnificent example of Italian Baroque architecture in the country – Pazaislis Monastery.

Reflections of Kaunas modernistic architecture

5-6 October 2018

In 2015 Kaunas was granted the sign of European heritage and included into the list of UNESCO design cities. Nowadays – this is an exceptional inheritance, witnessing the golden period of flourishing of the city, when Kaunas as a historical capital of Lithuania developed its modernistic architecture in parallel with other European cities. Don't miss the chance of learning the phenomenon of modernistic architecture combining national and Christian style elements.

The Old Town secrets in Kaunas

5-6 October 2018

A good opportunity to visit the most important and amusing places: see “White Swan” – Town hall, Thunder House, Sun clock, Vytautas Church; hear a love story about duke Zygimantas Augustas and Barbora Radvilaite, about the longest bridge in Kaunas. To take a walk in Santakos park and visit a place, where was started Kaunas history – Kaunas castle. Of course, to see one of the oldest gothic style churches in Kaunas.

The oldest capitals of Lithuania

7 October 2018

You will visit the nowadays capital Vilnius: Gediminas castle, The Old town, the Gates of Dawn, the Cathedral, Palace of the Grand Dukes of Lithuania, The church of St. Anne and Vilnius University (one of the oldest universities in Eastern Europe). After that, you will visit Kernavė, Trakai – these cities are historical capitals of Lithuania, where you could have a great opportunity to visit 5 hills in one place (the only ones in Lithuania), The Great duke Vytautas residence island castle, to look around peninsula castle and to taste special food in Trakai – kibinai.
