Why the data is not accessible?

Years 2007-2012
financing of eco-
monitoring - 8% of
the planned budget

OBSOLETE
EQUIPMENT or
LACK OF
EQUIPMENT

NO RESOURCES FOR
DATA PREPARATION
FOR
DISSEMINATION

A NEED FOR
QUALIFIED
PERSONNEL

COORDINATION
BETWEEN DATA
PROVIDERS is
COMPLICATED

**Eco-data needs to be structured and
then published,
to be available for civil society and
business**
