EU Policy Framework for Clusters

EU Cluster initiatives

Strategic cross-regional collaboration

Moving towards Joint Cluster Initiatives

- Connecting specialised eco-systems and clusters across Europe to boost industrial modernisation with a value chain focus
- Dedicated support for more strategic and sustainable inter-regional collaboration related to specialisation priorities of regions
- Using SME intermediaries to channel scale-up support to groups of SMEs
- Focus on accelerating SME growth (covering business dev. & skills, advanced manufacturing and technologies, digital, resource-efficiency, internationalisation)
- Linkages with the Enterprise Europe Network and mobility schemes
