What do you wish to get out of this event?

Please tell us if you have any dietary requirements (eg allergies) or medical/mobility needs (e.g. disabled access)

You are invited to give your preferences for three of the following specialist workshops. Please note the US Export Control workshop covers Beginners and more Experienced exporters - ensure you sign up for the right one for your level of experience. We will do our best to allocate your top three choices but in the event of over subscription, please indicate your fourth choice.

Workshop topic	Your preference (1 to 4)
1. Export Licensing Criteria risk assessment and Know Your Customer Understanding the Criteria for managing risks and how to learn about your export destinations. Led by the Export Control Joint Unit's (ECJU's) Foreign and Commonwealth Office (FCO) team.	
2. Digital services improvement update Including demonstration of new Permissions Finder. Led by the team working on the replacement to the SPIRE online export licensing system.	
3. Export controls on strategic goods <ul style="list-style-type: none"> Why Customs intercept goods Customs enforcement and outcomes (Led by HMRC) 	

4. Protecting classified information and material: MOD Form 680 (case studies), exhibition clearances and Private Venture grading. Led by ECJU's MOD team.	
5.a) US Export control compliance Beginner Overview of US export control regulations covering ITAR, EAR and the Export Control Review: <ul style="list-style-type: none"> • key terminology used in ITAR and EAR regulations • Key challenges associated with ITAR • Key challenges associated with EAR The session will be led by EGADD	
5.b) US Export control compliance Advanced This session will provide an overview of U.S. Export Controls, the current state of ECR, and proposed legislative changes. It will cover: <ul style="list-style-type: none"> • Is the item under the EAR or the ITAR and what is the impact? • Developing a framework for order of review from USML to 600 series to general CCL • Understanding when and how to apply the “specifically” designed test • Grasping how classification under ITAR, 600 series or general CCL impacts your business • Developing a framework to apply the “de minimis” and direct product rules under the EAR This session will be led by EGADD	

If more than one person from your organisation is attending, we suggest you choose different breakout sessions to gain maximum benefit and ensure all sessions are fully subscribed.

Cost of attendance per delegate is £150.00 inclusive of VAT.

You or your company will be invoiced after the event, or you can pay by cheque on the day.

Sorry – we can’t accept payment by credit or debit cards.

The cost of the event is non-refundable.

Please download, fill out all sections, save and then email to Denise.Carter@trade.gov.uk.

We anticipate that certain workshops will be very popular - please respond as early as possible and be sure to list your preferences.

Cancellation policy

Places at this event are limited, so any cancellation of confirmed attendance must be received by the Awareness Coordinator (Denise Carter) in writing or by email, at least ten working days before the event, or the cost of the event may be charged/ invoiced accordingly.
