

UK SPACE CONFERENCE 2019

24 - 26 SEPT 2019

International Convention Centre (ICC) Wales

Established as the most influential event for space in the UK

UK Space Conference 2019 Awards Programme.

We are delighted to announce the launch of the inaugural 'UK Space Conference Awards' which will take place at the UK Space Conference this September.

Five awards are available, each highlighting the exciting, diverse and forward-thinking ideas and innovations that makes the conference the most influential event for space in the UK.

SOAPBOX AWARD

The Soapbox presentations will take place on the Spotlight Stage in the exhibition hall during the lunch break and drinks reception on the first day of the conference. Speakers have five minutes and five slides to convince the delegates (and the judges) of the merits of their idea.

PITCH TO THE PRIMES AWARD

SMEs and start-ups from across the sector will pitch their innovative products and solutions to a panel of influential space industry leaders with the aim of entering the supply chain. The panellists will select the winner for this award. These sessions are being held on 25 September.

POSTER AWARD

Selected posters will be displayed on the first floor of the conference centre on Wednesday 25 September. The theme for this poster session is science, inspiration, innovation and impact.

INNOVATION SHOWCASE AWARD

Judges will review a showcase of leading technology, revolutionary solutions and the latest applications for space featured within the Innovation Zone.

PAPER SESSION AWARD

Following a call for abstracts, those who were successful will have eight minutes to present their papers, which are also focused on science, inspiration, innovation and impact. These will be judged by a panel of experts from within the sector, who will select the winner. The talks will be held throughout the day on 25 September and further information will be available in the conference programme.
