

PROCUREMENT LIST

ECC ENVIRONMENTAL (UK), LTD.

Opportunities

Electrical	Instrumentation	Mechanical	Civil
Automatic transfer switches	Chemical mixers	Air release/vacuum valves	Above grade pipe supports
Busway	Chemical tanks	Booster pump station	Access hatches
Cable/conduit	Chlorine analyser	Blower/compressor	Construction equipment (yellow iron)
Diesel generators	Flowmeter	Calcium hypochlorite dosing system	DN50 to DN1000 plant piping & fittings
Fuel tanks and piping	Laboratory equipment	Calcium hypochlorite mixing system	DN 300mm to DN1 200 pipes and fittings
LV capacitor	Level detector	Chemical dosing pumps	DN 1600 pipes & fittings
MV & LV switches /panelboards	Level meters	Coarse screens	HDPE/PVC DN 200-DN75 and fittings
Pump controls	Level transmitters	Filter backwash pumps	Metal grating and handrails
Site lighting	pH meter	High lift pumps	Metal roof paneling for roofs
Soft starters	PLC station	Hoist	Pipeline markers
Surge arrester	Pressure gauges	Intake screening and airburst systems	Pre-manufactured guard shack
Transformers	Pressure transmitter	Low lift pumps (650 m3/hr)	Reinforcing steel for concrete works
Trolley conductor	SCADA systems	Mixing tanks	Structural steel
UPS		Vacuum pumps	Security fencing
Water hammer protection system		Valves	Sheet pile protection systems
		Valves (control, pressure/altitude)	Structural steel for pre-decantation tanks, coagulators, flocculators, decanters & chemical warehouses, including trusses
		Valves (gate, butterfly & check)	Water tank coatings
Installations contractors			
Electricity speciality contractors	Speciality contractors	Mechanical & plumbing contractors	Speciality contractors/consultants (field engineers, construction management)
