WELCOME FROM THE GIRL GUIDES ASSOCIATION OF GRENADA

Dear Sisters in Girl Guiding and Girl Scouting,

Greetings from the sunny and beautiful State of Grenada!

Girl Guides Association of Grenada joins with the general public of Grenada to welcome you all to the 15th Western Hemisphere Regional Conference, which will be held on our shores from July 8 -12, 2019.

We have spent many long and arduous hours over the last two years in preparation to ensure that your stay in Grenada is safe, comfortable, enjoyable and rewarding from your time of arrival at Maurice Bishop International Airport.

We kindly ask each Member Organisation to bring one flown country flag to be used during the Opening Ceremony on Tuesday 9 July 2019.

As the Conference date draws nearer, we urge you all to register to participate in this very important Girl Guide and Girl Scout event as it's our business that will be addressed to facilitate improved, proficiently managed Member Organisations; and increased collaboration between WAGGGS, the Western Hemisphere Committee, and Member Organisations to bring about positive changes for our girls and young women.

We live in a period when our girls and young women may be distracted by many negative societal influences. As a global Movement for girls and young women, we know we can make a difference. We know we can provide the necessary tools, guidelines and opportunities for our girls and young women so that they do not fall prey to these negative forces. And this, Sisters, is why WAGGGS, and by extension the Western Hemisphere Committee, exists!

We look forward to lively, relevant discussions and agreements and to electing the most suitable persons to manage and empower the Western Hemisphere region for the next triennium at the July 2019 conference.

Best wishes for a successful conference!

Rosie Brathwaite

President

Girl Guides Association of Grenada

WELCOME TO GRENADA

Grenada is a Caribbean country in the Western Hemisphere, situated between the Caribbean Sea and the Atlantic Ocean. Grenada consists of the island of Grenada itself, Carriacou, Petite Martinique, plus three smaller islands to the north of the main island.

Grenada is known as the Island of Spice, due to its production of nutmeg and mace crops, of which it is one of the world's largest exporters.

CAPITAL

St George's is the capital and largest city.

TIME ZONE

Grenada is in the Atlantic Standard Time Zone, one hour ahead of Eastern Standard Time and four hours behind Greenwich Mean Time (GMT).

LANGUAGE

English is the official language of Grenada.

GRAND ANSE BEACH

Grenada has more than 40 different beaches; the most famous of them is the Grand Anse Beach.

A 3km (2 mile) long beach situated on the southwest coast where our Conference Venue is located.

Take great care at all times when swimming as currents can be deceptively strong and not all beaches have lifeguards and/or warning flags. You should monitor all beaches carefully and obey any local warnings.

CULTURAL CONNECTIONS EVENT

The Western Hemisphere Committee is delighted that the next Cultural Connections event will be held immediately prior to the Conference for young women aged 18 to 30 years old. This means that the young women participating in the pre-event, can opt to stay to join the main Conference to encourage greater participation of young women.

The Cultural Connections event will support young women who are passionate about our Movement to pursue a governance or leadership position within their Member Organisation or WAGGGS. It will also link to the current global project to deliver Motion 32 of the 36th World Conference - to look into the reasons why more young women are not standing for governance positions and to develop a set of actions that will significantly increase the number doing so.

The Cultural Connections event will run from **Friday 5 July to Monday 8 July 2019.**

Information to register for this event will be coming at the end of February 2019.

With the generous support of Girl Guides of Canada, WAGGGS aims to provide grants to support the attendance of young women from Western Hemisphere Member Organisations for Cultural Connections.

VENUE

PARTICIPANTS

Each Full or Associate Member Organisation of WAGGGS in the Region is entitled to send two Delegates appointed from within its membership. The Delegates carry the authority of their Member Organisation to speak and vote on its behalf and are expected to participate in all proceedings.

In addition, Member Organisations may send Observers who act in support of their Delegates.

Where a Federation exists, the Component Associations of that Federation should decide together the composition of the delegation. Each Component Association may suggest up to two members to form part of the Federation's delegation. The Federation shall select two from among this number to be their official Delegates and any others may attend as Observers.

In supporting WAGGGS' mission of developing young women as decision makers, Member Organisations should make every effort possible to include one young woman (aged 18-30) in the delegation as either the conference delegate or observer. Young women who currently serve or are being developed as members of the national board, executive committee or sub-committees are ideal candidates to fulfil this role and will gain valuable international experience.

GRANTS

We hope to be able to support a number of Member Organisations financially who would otherwise be unable to attend the 15th Western Hemisphere Regional Conference. You can apply for the grant while registering for the Conference.

You can apply for a registration grant, travel grant, accommodation grant, or a combination of the three. Please [click here](#) to use our registration page and apply for grants.

The deadline to apply for the grant is 17:00 (GMT) 8 March 2019. All applicant Member Organisations will be informed of the outcome of their application by 22 March 2019.

Priority will be given to young women and Member Organisation delegations, who would otherwise not be represented.

The allocation of grants will also be subject to the following conditions:

1. The Member Organisation is not suspended and is up to date with membership fee payments i.e. has paid its 2018 membership fees.
2. Grants cannot be transferred to another person. In exceptional circumstances, a Member Organisation may apply for a change of beneficiary. This should be done at least two months before the start of the conference.
3. If the recipient of the grant does not attend the conference, the grant must be reimbursed in its entirety to WAGGGS.
4. Feedback on the experience will be required at or after the conference in a format which will be confirmed at a later date.

There is also an opportunity to sponsor another Member Organisation in sending their delegates to the Conference by making a contribution to the Western Hemisphere Friends Fund. Any help will be highly appreciated. There will be an opportunity to donate when you register, or you can contact us at WH.ReCo@waggs.org.

TRAVELLERS WITH SPECIAL NEEDS

Travellers with special needs, especially those with limited mobility, should note that disabled access is not widely available. Hilly terrain, narrow sidewalks, and accessibility on public transportation may present challenges. Please ensure you notify us of any such needs when registering so that we do our best to provide assistance.

Wheelchairs and assistance are available at Maurice Bishop International Airport (GND).

AIRPORT TRANSFERS

All participants arriving on Monday 8 July 2019 will be met on arrival at the Maurice Bishop International Airport (GND) by members from Girls Guides Association of Grenada. Arrangements will also be made for you for your departure on Saturday 13 July or Sunday 14 July 2019, for those booking a tour.

VISA INFORMATION

A valid passport (valid at least 6 months) and return or onward ticket is usually required for all visitors. However, proof of citizenship bearing a photograph is acceptable from British, Canadian and US citizens¹.

A visa is not required from citizens of the US, Canada, UK, British Commonwealth, most Caribbean countries, most European countries, South Korea, and Japan. Please refer to the government website for the complete lists of persons requiring visas and persons exempt from visas.

NB If you are travelling from a country with yellow fever, please ensure you are carrying proof of vaccination.

Neither Girls Guides Association of Grenada or WAGGGS can take responsibility for any medical, accident, or personal property claims by participants of the Regional Conference (other than those that may fall under public liability). WAGGGS will also not be liable for travel costs in the event of cancellation of the Conference for any reason.

All participants must arrange their own insurance for travel, health, accident and personal property. Please also note that self-medication is the responsibility of the participant.

In the case of accidents or severe illness, participants will be taken to a hospital situated nearby. Please note that delegates who make use of this facility will be charged for medical consultations, treatment, and medication, and should ensure they have appropriate personal insurance.

LOCAL HEALTH CARE

While Grenada has very few creepy crawlies, mosquitoes can be a nuisance, as they can in any tropical country, and may carry viruses such as Dengue, Zika, and ChickV. These are not all prevalent in Grenada, but we feel it is wise to take steps to avoid being bitten. We suggest you take precautions by using repellent creams and sprays both day and night.

CURRENCY

Eastern Caribbean Dollar (EC\$) is the local currency.

WEATHER

Grenada enjoys a tropical climate, hot and humid all year round. Average temperatures range from 24°C / 75F to 30°C / 87F, tempered by the steady and cooling trade winds. The rainy season occurs between June to November, including hurricane season for the Caribbean. Grenada is located to the south of the hurricane belt and has a low probability of experiencing a severe storm, but do be prepared for a possible rainy day.

¹ As mandated by the United States Department of Homeland Security, all US travellers must provide a passport to enter or re-enter the US from both vacation and business travel.
