Advanced Engineering 2019 UK Pavilion Offer

The Department for International Trade (DIT) are giving 16 companies the opportunity to be part of the UK Pavilion at Advanced Engineering 2019 and exhibit on the 98sqm stand.

About Advanced Engineering

Advanced Engineering 2019 is the UK's largest annual gathering of advanced engineering professionals, connecting the supply chain to R&D, design, test and inspection, production, assembly, automation, materials processing and procurement from OEMs and top tier industry players.

Benefits of exhibiting on the UK Pavilion

- **Personalised pre, onsite and post support** - we liaise with the organisers and communicate regularly with you to remind you of any deadlines and we assist in all support in the build-up, during and after the show.
- **Enhanced exposure to visitors** - there will be a UK Pavilion networking reception during the show on the stand.
- **Brand exposure on promotional materials** - a dedicated UK Pavilion event brochure will be distributed at the show, which will include your company profile and logo. This is in addition to access to the show organisers' online B2B matching service.
- **Access to a free lounge area** - the UK Pavilion will have an informal meeting area for you to conduct meetings including Wi-Fi access and refreshments.

At a glance:

Price: £1,750 + VAT
per package

Quantity: 16

£1,750 plus VAT fee will be payable to Bray Leino and due in full by Monday 30th September 2019. Places will be allocated to interested companies on a first-come-first-served basis. All applications will be vetted. Your booking is only confirmed once payment is received.

If you would like to secure your space, please complete an application form on our [website](#). If you would like to discuss your exhibiting options or have any questions, please contact:
